

CURRICULUM VITAE

Personal Information:

Name	Marsha Baker, MD, MPH, FACOG
Languages	English, Spanish, Haitian Creole

Education:

College	University of Chicago Chicago, IL B.A., History, Philosophy, Social Studies of Science and Medicine, With Honors
Medical School	University of Chicago, Pritzker School of Medicine Chicago, IL
Graduate School	University of Illinois at Chicago, School of Public Health Chicago, IL

Postgraduate Training and Appointments:

Internship	Department of Obstetrics and Gynecology University of Southern California Los Angeles, CA
Residency	Department of Obstetrics and Gynecology University of Southern California Los Angeles, CA

National Health Service Corps
Staff Physician

Clinica Sierra Vista
Bakersfield, CA

Fellow/Clinical Instructor

Division of Reproductive Endocrinology &
Infertility
Department of Obstetrics & Gynecology
University of Southern California
Los Angeles, CA

Partner Physician

Southern California Permanente Group
Division Lead,
Kaiser Permanente
Division of Reproductive Endocrinology &
Infertility
Department of Obstetrics & Gynecology

Clinical Associate Professor

University of Southern California
Keck School of Medicine
Division of Reproductive Endocrinology &
Infertility

Certifications:

The American Board of Obstetrics and Gynecology, General Obstetrics and Gynecology,
Board Certified

The American Board of Obstetrics and Gynecology, Reproductive Endocrinology and
Infertility, Board Certified

Honors and Awards:

University of Chicago, Undergraduate Early Acceptance Program to University of
Chicago, Pritzker School of Medicine

University of Chicago Maroon Key Society, College Honorary Society

University of Chicago Richter Award for Undergraduate Research

National Institutes of Health Predoctoral Fellowship Award, Bethesda, MD

Endocrine Society Travel Award, Endocrine Society

National Health Service Corps, Scholarship Recipient, U.S. Department of Health and Human Services

Wyeth-Ayerst Laboratory Prize in Women's Health to Outstanding Medical Student

Paul Q. Peterson Award for Research in Public Health, UIC School for Public Health

United States Secretary's Award for Innovations in Health Promotion and Disease Prevention National Competition, 3rd Place Award

University of Southern California, Department of Obstetrics and Gynecology, Recognized as Outstanding Resident Teacher

American Society for Reproductive Medicine, Resident Reporter Program

University of Southern California, Recognized as Outstanding Patient Advocate

University of Southern California, First Place, Resident Research Day

University of Southern California, Teaching & Learning Fellowship

Kaiser Permanente, Golden Apple Teaching Award

Super Doctors, "Top Southern California Rising Stars"

Publications

Peer –Reviewed Journals:

1. Vendola K, Zhou J, Wang J, Famuyiwa OA, **Bievre M**, Bondy CA. Androgens promote oocyte insulin-like growth factor 1 expression and initiation of follicle development in the primate ovary. *Biology of Reproduction* 61 (2): 353-357 (1999).
2. Hale GH, **Bievre M**, Hughes CL. Exploring the role of progestins and phytoestrogens in menopause. *Integrative Medicine* 2 (2/3): 133-141 (1999).
3. Zhou J, **Bievre M**, Bondy CA. Reduced GLUT1 expression in IGF 1 null oocytes and follicles. *Growth Hormone IGF Research* 10 (3): 111-117 (2000).

4. Zhou J, Anderson K, **Bievre M**, Ng S, Bondy CA. Primate mammary gland insulin-like growth factor system: cellular localization and regulation by sex steroids. *Journal of Investigative Medicine* 49 (1): 47-55 (2001).
5. Hale GE, Hughes CL, Robboy SJ, Agarwal SK, **Bievre M**. A double-blind randomized study on the effects of red clover isoflavones on the endometrium. *Menopause* 8 (5): 338-346 (2001).
